

Costs

To assist with our planning and organisation we have a pricing structure that encourages you to book as early as possible, in this way you get the lowest conference price and we get confirmed numbers of participants. For 2007 we have kept the conference cost at last years prices, but we have increased the pre-conference costs by a small amount.

Accommodation and seminar rooms have to be reserved; shuttle services, pre-conference activities, and equipment rentals have to be arranged. Early booking and payment allows us to make the necessary bookings and arrangements with confidence, and reduces the risk of us being personally out of pocket.
